

MR. BONES CATALOG

MADE  EXTREMADURA

WELCOME TO MR. BONES

At Mr. Bones, we believe the best food for dogs and cats is made with 100% natural, fresh, and high-quality ingredients. We offer a real and healthy alternative to conventional pet food by eliminating artificial additives, cereals, and preservatives. Each of our products is made with carefully selected local ingredients, designed to improve your pet's health, vitality, and happiness.

Discover our catalog and join our philosophy of natural feeding, where every bite is a sign of love and well-being.

DRY BARF

100% natural:

- ↳ No grains or artificial additives, perfect for sensitive dogs or those with intolerances.
